Re: ***In re Valsartan Products Liability Litigation***, Civ. No. 19-md-2875 (D.N.J.)  
**Xunqiao Organizational Charts**

Counsel:

It was our understanding that the parties' recent agreement to each bear their own translation costs applied to the organizational charts. In light of Plaintiffs' recent request that the Court order ZHP to translate the organizational charts related to the Xunqiao finished dose facility, enclosed please find English versions of the charts previously produced as ZHP00000009–ZHP00000012. In producing these documents, ZHP expressly reserves all objections to discoverability and admissibility, as well as all defenses, jurisdictional or otherwise. In addition, ZHP's agreement to produce this limited set of documents as a courtesy to Plaintiffs should not be interpreted as an agreement to translate any other documents in this matter.

Sincerely,

/s/ Alexandra Waleko
